

Our Hats reflects the newest styles.
AVONDALE HATS.

On account of the enormous sale we have had on this well-known Hat, we have made special arrangements with the manufacturer to get them in large quantities to sell at \$2.00 instead of \$2.50, as heretofore.

WITHOUT BOASTING

We can now say to you that we have got the "best Hat on earth" for \$2.00. Without casting any reflections, we want to say you'll miss it if you fail to bring in your head.

SENTENCES IN CRIMINAL COURT

MANY PRISONERS WERE SENT TO
THE PENITENTIARY YES-
TERDAY BY JUDGE
BEGGS.

Many sentences were imposed in the criminal court yesterday, when Judge Beggs, presiding over the court, had before him a large number of prisoners who had either pleaded guilty or been convicted in court. The sentences were as follows:

C. B. Burke, obtaining money under false pretenses, \$50.00 and costs or six months in the state penitentiary.
George Long, aggravated assault, six months in the state penitentiary.
John Smith, receiving stolen property, \$50 and costs or six months in the penitentiary.

Lem Jefferson, aggravated assault, \$150 and costs or one year at hard labor.

Robert Brown, carrying concealed weapons, \$100 and costs or 3 months at hard labor.

E. M. Marshall, assault with intent to rape, 15 years in the penitentiary.

Brooklyn Now Off the City.

The cruiser Brooklyn, which has been engaged in target practice for several days, came up the harbor yesterday afternoon and anchored off Baylen street wharf. The vessel has coal and been provisioned for her trip, but it is hardly possible that she will sail from Pensacola before Tuesday. The men on board were paid off yesterday, and a number were given shore leave.

Case Not Yet Decided.

A Fine Chance.

If there happens to be a mule around town that is looking for a good thing, the following advertisement in a local paper might interest him: "Wanted—the use of a good mule and wagon on tomato farm for 60 days. The work will be light, and the mule will be kindly treated, well housed and protected from flies, and bountifully fed." —Miami Record.

to go this week at prices never before dreamed of in Pensacola.

Now is the time to lay in a supply for the season, and we are in a position to save you money. Up to the present time we have made no special effort to sell out the line of Summer Underwear that we bought in the Gray & Co. stock at 60 cents on the dollar, but now that the warm season has arrived, we will throw the entire line out on special bargain tables and give you a chance to practice economy.

Be sure to see the line before they are picked over, and particularly the special bargain lots at 25c, 39c, 49c, 59c and 69c a garment. They are the climax of all bargain offerings.

Our Ready-to-Wear Department

will be the center of attraction to-morrow. We are now prepared to show you the most comprehensive line of Ladies' Shirt Waists, Skirts and Shirt Waist Suits ever shown in Pensacola. We told you a few days ago of our good fortune in securing an immense collection of Shirt Waists and Shirt Waist Suits from one of the leading manufacturers at a considerable sacrifice in price, owing to the fact that the party for whom they were made up was not in a position to take them when they were ready. **Now is your opportunity.** Remember, these goods were made up first-class and are not to be classed with the ordinary ready-to-wear garments. We have your size now. Don't wait until they are picked out.
